Exotic Plants is one of the foremost experts in creating custom environments for all kinds of special events. With over 40 years of expertise in the field of Short and Long Term Rentals, we can provide a beautiful living display of blooms and green foliage to create a corner of paradise for your special day.

We also carry accent lighting which can combine in a pleasant setting to create a memorable day for you and your guests. No event is too small or too large for our friendly and professional staff.
